

Blanket Contracts:

All Materials and/or Services supplied shall be per Buyer's General Terms and Conditions (located on our Supplier Portal at <https://sss.portal.covisint.com>), subject to these additional terms.

The quantity of Materials and/or Services specified above represents possible projected requirements of Materials and/or Services ("Target Purchase Quantity") for the period noted on the contract ("Contract Period"). It is acknowledged and agreed that the buyer shall be entitled, but not obliged, to purchase up to the Target Purchase Quantity during the Contract Period. Deliveries of Materials and/or Services shall be made in such quantities (not exceeding, in aggregate, the Target Purchase Quantity), and at such times, as the buyer may specify in writing from time to time during the Contract Period. Only Materials and/or Services delivered as aforesaid shall be deemed to be purchased by buyer.

This Contract shall expire (without prejudice to the respective rights and obligations accrued hereunder) upon delivery in full of the Target Purchase Quantity or the expiry of the Contract Period, whichever shall first occur.

Supplier agrees to make deliveries according to the agreed upon delivery schedule.
