## LETTER FROM THE BOARD

### ISSUE MANDATE

In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares, an ordinary resolution 5(A) will be proposed at the Annual General Meeting to grant a general mandate to the Directors to exercise all powers of the Company to allot, issue and deal with additional Shares up to 20% of the total number of issued shares of the Company as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, the issued share capital of the Company was at HK\$250,646,795.30 and comprised of 2,506,467,953 Shares. Subject to the passing of the proposed ordinary resolution 5(A) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to issue a maximum of 501,293,590 Shares under the Issue Mandate.

The Issue Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held pursuant to the applicable laws or the Articles of Association; or (iii) the date on which such an authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

### REPURCHASE MANDATE

An ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise all powers of the Company to repurchase Shares representing up to 10% of the total issued shares of the Company as at the date of passing of the resolution, amounting to 250,646,795 Shares, in relation to the Repurchase Mandate, assuming that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution at the Annual General Meeting.

The Repurchase Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held pursuant to the applicable laws or the Articles of Association; or (iii) the date on which such an authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

## LETTER FROM THE BOARD

### GENERAL EXTENSION MANDATE

*The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.*

## SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was at HK\$250,646,795.30 and comprised of 2,506,467,953 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 250,646,795 Shares which represent 10% of the issued share capital of the Company during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

## REASONS FOR REPURCHASES

The Directors believe that it is in the best interest of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

## FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules, the Companies Law and any other applicable laws. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company, the share premium account of the Company or the proceeds of a fresh issue of Shares made for the purpose of the repurchase, or out of capital provided that the Company is able to pay its debts as they fall due in the ordinary course of business and the payment out of capital is authorized by the Articles of Association, subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either or both the profits of the Company or the share premium account of the Company before or at the time the Company's Shares are repurchased, or in the manner provided for in the Companies Law.

A listed company in Hong Kong may not repurchase its own securities on the Stock Exchange for, inter alia, a consideration other than for cash or for settlement otherwise than in accordance with the Listing Rules.

**IMPACT OF THE REPURCHASES**

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interest of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at December 31, 2018, being the date on which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) currently intends to sell any Shares to the Company, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise their power to repurchase any Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and applicable laws of the Cayman Islands.

As at the Latest Practicable Date, no core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the proposed Repurchase Mandate is approved by the Shareholders.

**EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, if a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company, it will become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the following Shareholders have beneficial interests representing 5% or more of the issued share capital of the Company within the meaning of Part XV of the SFO:

<b>Name of Shareholders</b>	<b>Number of Shares held</b>	<b>Current percentage interest in the issued share capital of the Company<sup>(1)</sup></b>	<b>Percentage interest in the issued share capital of the Company in the event the Repurchase Mandate is exercised in full<sup>(1)</sup></b>
Nexteer Hong Kong ( <i>Note 2</i> )	1,680,000,000	67.03%	74.47%
PCM China ( <i>Note 2</i> )	1,680,000,000	67.03%	74.47%
AVIC Auto ( <i>Note 3</i> )	1,680,000,000	67.03%	74.47%
AVIC ( <i>Note 3</i> )	1,680,000,000	67.03%	74.47%

*Notes:*

- (1) The calculation is based on the total number of 2,506,467,953 shares in issue as at the Latest Practicable Date.
- (2) Nexteer Hong Kong is wholly-owned by PCM China, which is in turn owned as to 51% by AVIC Auto and as to 49% by Beijing E-Town Auto. Each of PCM China and AVIC Auto is deemed to be interested in the 1,680,000,000 Shares held by Nexteer Hong Kong.
- (3) AVIC Auto is owned as to 70.11% by AVIC. AVIC is deemed to be interested in the 1,680,000,000 Shares held by Nexteer Hong Kong.

In the opinion of the Directors, any increase in percentage interests arising out of the exercise of the Repurchase Mandate would not give rise to any obligation to make a mandatory offer under Rule 26 of the Takeovers Code. Accordingly, the Directors are not aware of any other consequences which arise under the Takeovers Code as a result of any purchase of its Shares by the Company.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

**SHARE REPURCHASE MADE BY THE COMPANY**

The Company had not repurchased any Shares on the Stock Exchange in the six months preceding the Latest Practicable Date.

**SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous twelve months were as follows:
